

I listen to K-LOVE via an FM translator(94.7FM). K-LOVE gives my family an opportunity to hear national broadcast of Christian music and updates on Christian artists. K-LOVE is so important to our family that we are financial sponsors of local broadcast time.

If K-LOVE were displaced by an LPFM broadcaster providing other programming, we would greatly miss the opportunity to hear Christian music during driving times. K-LOVE is unique in that it provides a national perspective to Christian music. K-LOVE's broadcasting is wholesome and family friendly, providing value to the public.

Thank you for the opportunity to comment.
